Dylan Lewis	07/17/2024 10:44 PM	I was walking through the facility and Derek approached me and told me that there was a woman in the sauna. I walked to the sauna with him, and as soon as Derek and I entered the sauna, Alexis and Derek began exchanging some aggressive words between one another. Alexis was asked whether she was a male or female and felt offended and threatened to fight Derek's kids. Eventually, Derek left because he was holding the sauna door open, and then Alex, Alexis, and I exchanged names, and I heard Alexis and Alex speak and how they wanted to go about the situation. - Tate Butler Delete
