

A Complete Wellbeing Solution to (company name) Employees

“Balance for Life”, a comprehensive mental health and wellness program that’s available 24/7, confidential, and easy to access. We help to support a healthier, more productive mindset by addressing a full spectrum of wellbeing — emotional, mental, and physical.

BFL and services provided is designed to supplement (company name) current EAP benefit

Core Employee Support Services

- ✓ **24/7 Live Counseling:** Immediate access to licensed professionals by phone, video, or chat.
- ✓ **Short-Term Counseling:** Up to 10 no-cost sessions per individual per incident at no cost, telephonically, in-person, or through video
- ✓ **Mindfulness & Resilience:** Six-week “Aware Mindfulness” series to build focus and balance.
- ✓ **AI Chatbot – ZENN:** Instant, judgment-free support anytime for anxiety, depression, loneliness, trauma, or substance concerns.

Holistic Life & Work Balance

- ✓ **Life Coaching:** Guidance for personal and professional growth.
- ✓ **Work-Life Resources:** Expert help for financial, legal, and family challenges.
- ✓ **Wellness Coaching:** Self-directed programs for sustainable change and better health.

Expanded Clinical Network

Access to a Preferred Provider Network for long-term counseling, inpatient and outpatient treatment, including:

- ✓ Virtual Long Term Therapy Sessions @ \$75 copay per hour
- ✓ Psychiatric evaluations & medication management
- ✓ Residential treatment & withdrawal management (additional charges apply, insurance accepted)
- ✓ Discharge Planning @ \$60 copay per hour session
- ✓ Integrated mental and physical care
- ✓ AI-powered early intervention tools

(Note: Some services are available via self-pay or participant’s insurance)

The Balance Advantage

- ✓ Improve engagement and social lifestyle
- ✓ Strengthen well-being and resilience
- ✓ Deliverable and proven outcomes
- ✓ Live a better life!
