Important Notes: Licensed healthcare providers provide clinical services through medical practices affiliated with Lyric and other network providers. Additional or different telehealth requirements may be applicable in certain states; see www.getlyric.com for full terms and conditions. **Dermatology:** AR, AZ, IA, ID, and IN require scheduled video consultations. Those who are pregnant, trying to become pregnant, or nursing are not eligible for online dermatology visits. Lyric Health does not guarantee that a prescription will be written and does not prescribe DEA controlled substances. Lyric Health physicians reserve the right to deny care for potential misuse of services.
